

For thirty decades of grandeur of MB cine mash,

Here comes your grand gala birthday bash,

Many, many happy returns of the day,

And merry movements for many a day,

Weeks and years of eventful Success,

Like " U " all, till you become Super actor,

Image of Super star stays eternally, even after.

We pray for your prosperity and longevity,

In chorus, we plead the Lord Almighty,

Bestow fame upon " U...Vishnu " ...to glorify.
